Definitions of property types:

- Market housing is housing available for purchase on the open market.
- Affordable housing is social rented and intermediate housing available to eligible households at lower than full market value.
- Housing association rented properties are available at lower than private rental values.
- Housing association shared ownership is a cross between buying and renting; aimed mainly at first-time buyers. You own a share and then rent the part you don't own at a reduced rate.
- A starter home is a new dwelling, for first-time buyers aged 23 to 39, sold at a discount of at least 20% of market value and less than £250k, and subject to restrictions on future sale.
