

Housing needs survey for Chesterton & Kingston parish

Do you want to downsize, are you currently living at home with parents but want your own home, do you need a bungalow in preference to a house, would you like to own a home rather than rent?

A lack of suitable housing is an issue for many households and can often lead to local people moving away. To assess whether or not this is a problem in the local area we are conducting a survey to identify the homes that local people need.

The form is to be completed ONLY if you have a need for alternative housing and wish to live within the parish.

If you know anyone currently living elsewhere who would like to live in this parish please ask them to contact the Rural Housing Enabler (details on back page) to receive a copy of this form. They would need to have a strong local connection, eg they work in the parish, previously lived in the parish or have a close relative currently living in the parish.

This data is collected for the purpose of identifying parish-wide housing need only and will not be used for any other purpose. All information will be treated in strict confidence and neither the parish council nor any third party will see individual replies. Individual returns will be anonymised and analysis will be carried out by WRCC (an independent charity that supports rural communities across Warwickshire), who will retain all survey forms.

A separate form should be completed by each household in need of alternative housing and if they wish to be housed within the parish within the next five years. If necessary, please request extra forms; see contact details on the back page.

Use the attached Freepost envelope to return your completed form by Saturday 6th June 2020 or complete the survey online at www.smartsurvey.co.uk/s/Chesterton.

Thank you for participating in this survey.
