# Giving Rugby a lift.

**Monday to Friday, 7am until late.**

IndieGo is a minibus dial-a-ride scheme that operates to and from Rugby at key times, along with numerous villages around the Rugby area.

It is for you if you are unable to make your journey either because there is no other suitable public transport available or because of mobility issues.

# IndieGo helps residents travel and access local services and amenities in Warwickshire.

We will confirm journey times when booking. If we are not able to offer you your preferred times, we will suggest the nearest available. You can book a journey with a maximum period of seven days ahead of travel. Please try to book as soon as possible.

On the day of travel, please be ready on time at your home address or agreed pick up point. Pay your driver (exact fare please if possible) or show your bus pass and enjoy the ride.

(Buses will not leave early without you but can be up to 10 minutes later than the time quoted)
